

Indian Institute of Technology, Madras

NAME: RAVISH KUMAR

ROLL NO: CS23M055

EDUCATION

PROGRAM	INSTITUTION	%/CGPA	Passing Year
M.Tech, Computer Science Engineering	Indian Institute of Technology, Madras	8.12/10	2025
Bachelors, Computer Science Engineering	Indian Institute of Information Technology Sricity, Chittoor	7.71/10	2021
XII	Radiant International School, Patna	82.2%	2017
X	Radiant International School, Patna	10/10	2015

SCHOLASTIC ACHIEVEMENTS

- AIR-1517 GATE CSE 2023

RELEVANT COURSEWORK AND SKILLS

- Data Structures and Algorithm
- DBMS
- Enterprise Application Development
- GPU
- Deep Learning
- PRML
- Technologies:** C++, Python, CUDA, JavaScript, MongoDB, AWS RDS, Docker, HTML, CSS, Nginx, Travis Ci
- Frameworks & Libraries:** Numpy, Pandas, PyTorch, ReactJS, React Native, ExpressJS, NodeJS, Flask
- Practices & Project Management:** Object Oriented Programming, Github

PROFESSIONAL EXPERIENCE

Senior Quality Engineer - L&T Infotech July 2021 - July 2022

- Worked in performance testing domain
- Hands on experience on LoadRunner and Jmeter

INTERNSHIPS

Fidelity Investments - Data Science Intern May 2024 - July 2024

- Worked on various model calibration methods like spline calibration, isotonic regression and platts calibration

NCIIPC - National Critical Information Infrastructure Protection Centre May 2020 - July 2020

- Worked on ELK stack
- Hands on experience of Security Onion

PROJECTS

Legal Assistant Feb 2020 - Dec 2020

- A legal document retrieval system
- Made an intuitive UI using ReactJS and REST API using Flask
- Made the production grade software using Docker-compose, Nginx, uWSGI
